

SOUND AND PICTURE RECEIVING AND TRANSMITTING EQUIPMENT

Limit of Liability

*Sound Receiving and Transmitting Equipment \$_____

*Picture Receiving and Transmitting Equipment \$_____

*Tapes, Wires, Records, Discs or Other Media \$_____

For an additional premium, we cover under Coverage C — Personal Property, any device or instrument, including any accessories or antennas, for the transmitting, recording, receiving or reproduction of sound or pictures which is operated from the electrical system of motor vehicles or all other motorized land conveyances, while any of this equipment is installed in or upon motor vehicles or all other motorized land conveyances.

If a limit of liability is shown for tapes, we cover tapes, wires, records, discs or other media for use with any such device or instrument covered by this endorsement but not exceeding a limit of \$200.

The policy deductible does not apply to this coverage.

We shall not be liable for more than the limit of liability stated above.

All other provisions of this policy apply.

*Entries may be left blank if shown elsewhere in this policy for this coverage.
