

AMENDATORY ENDORSEMENT

The HOBFM-200 (10-23) combines the following amendatory endorsements into one amendatory endorsement and shall be attached to and made a part of all Homeowners Policies.

This endorsement shall apply to the current policy and all subsequent renewals.

ACTUAL CASH VALUE

The term “**Actual Cash Value**” means:

Whenever used in this policy, the term **Actual Cash Value** means the amount which it would cost to repair or replace, including labor, material and taxes, covered property with material of like kind and quality, less allowance for deterioration and depreciation and obsolescence.

ROOF ENDORSEMENT

This policy is amended as follows:

It is hereby agreed and understood that we will pay up to a maximum of 30% of replacement cost of the damaged area on all roof surfaces except for composition and metal roof surfaces for any covered loss caused directly or indirectly by Windstorm or hail. This maximum limit includes all costs for material, labor, removal, repair, disposal, and replacement of such roof surfaces.

Sheeting or decking is not considered a roof surface and is not covered unless the sheeting or decking is damaged by a covered peril.

Section I, Conditions, #6. Appraisal is deleted and replaced by the following:

Section I, Conditions, #6. Appraisal

If you and we fail to agree on the amount of loss, an appraisal may take place. However, an appraisal will take place only if both you and we agree, voluntarily, to have the loss appraised. If so agreed, each party will choose a competent appraiser within 20 days after both parties agree. The two appraisers will choose an umpire. If they can not agree upon an umpire within 15 days, you or we may request that the choice be made by a judge of a court of record in the state where the **residence premises** is located. The appraisers will separately set the amount of loss. If the appraisers submit a written report of an agreement to us, the amount agreed upon will be the amount of loss and will be binding. If they fail to agree, they will submit their difference to the umpire. A decision agreed to by any two will set the amount of loss and will be binding.

Each party will:

- a. Pay its own appraiser; and
- b. Bear the other expenses of the appraisal and umpire equally.

The Company shall inspect the **insured location** and operations at any time as required by the provisions of K.S.A 40-906.
